

17th International Ship Stability Workshop

Helsinki, Finland 10-12 June 2019

February 28th 2019

Preliminary Agenda

The 17th International Ship Stability Workshop, ISSW 2019, will be held in Helsinki, Finland 10th-12th June 2019. The event is organized by NAPA and Aalto University. The venue is HTC Helsinki, Pinta building, Tammasaarenkatu 3, <https://htchelsinki.fi/en/>

ISSW and STAB (International Conference on Stability of Ships and Ocean Vehicles) are the most representative professional meetings in the fields of ship stability and safety, attracting international top researches and representatives of shipping companies, shipyards, classification societies, maritime authorities and other stakeholders.

The workshop entails in-depth discussions in an informal manner, resulting in an ideal environment for participants who are interested in current research and development.
